

HWE Series

Hot-Water Pressure Washers

#1 in North America for High-Pressure Cleaning Equipment

Electric / Belt-Driven

Industrial-duty **Magnetic Motor Starter** for long life of reliable starting.

Four quick-coupler **Nozzles** are made of hardened stainless steel and mounted for ready access.

Heavy-duty **Upper and Lower Cabinet** is protected by an epoxy powder coat finish.

Motor and pump are mounted on a **Power Platform** with four vibration isolators to minimize shaking and stress on the frame.

Safety **Low-Water Float Switch** protects heating elements from burn out due to lack of water.

With the switch in the 'ON' position, the **Auto Start** function allows the unit to be turned on with the pull of the trigger for convenient remote operation.

Easy-to-attach **detergent Injector** for easy soap application.

Inlet Filter strainer protects pump from debris.

Contains nine high-efficiency **Heating Elements** that do not come in contact with the pressurized water, resulting in reduced scale build up, lower maintenance, and longer life.

50 ft. of double-wire braid **High Pressure Hose** rated for up to 5000 PSI and with 24-inch **Hose Guard** for burst protection and swivel **Crimp Fitting** for tangle-free handling of hose and trigger gun.

Insulated, fatigue-free **Trigger Gun** with stainless steel, dual-lance **Variable Pressure Wand** make for easy cleaning and adjusting the pressure while washing.

Water is heated in a **Stainless Steel Coil** submerged in a tank of water solution for efficient heat transfer and instant hot water with the pull of the trigger; a **layer of oil** rests on the surface of the tank water solution for additional retention of heat and to prevent evaporation.

FEATURES

- Up to 4.0 GPM / Up to 3000 PSI
- Up to 7.5 HP motor
- Stainless Steel Coil
- 7-yr. Pump / 5-yr. Coil Warranty

Heater coil carries a 5-year warranty

Hotsy-designed Triplex pumps carry a 7-year limited warranty

HWE Series Hot Water Pressure Washers

■ All Electric / Belt Drive

■ Up to 4.0 GPM / up to 3000 PSI

■ 7 yr. Pump / 5 yr Coil Warranty

■ Stainless Steel Coil

Designed for tough, industrial cleaning.

PARTS & ACCESSORIES

Your local Hotsy dealer would be happy to provide an onsite demonstration to determine which pressure washer accessories will help speed cleaning & lower your costs. Hotsy dealers stock thousands of pressure washer replacement parts such as high pressure hose, trigger guns, high pressure nozzles, pumps, engines, motors, unloaders, filters and wands. In addition, you'll find a number of accessories designed to speed cleaning, the most common accessories are telescoping wands, pivot and non-pivot hose reels, flat surface cleaners and high pressure turbo nozzles.

SERVICE & REPAIR

Hotsy has more than 175 local dealers in North America, all factory-trained to properly evaluate your high-pressure cleaning needs.

Hotsy has factory-trained service technicians who will provide on-site maintenance for your cleaning equipment. Our techs have most common replacement parts on their service truck, and will quickly have your washer running smoothly.

NOTE: We are constantly improving and updating our products. Consequently, pictures, features & specifications in this brochure may differ slightly from current models. Flow rates & pressure ratings may vary due to variances allowed by manufacturers of our machine components. We meet the CETA testing specs for machine performance at $\pm 10\%$ and in some cases are tighter within $\pm 5\%$ of listed specifications.
